

# HYATT'S *Manion Lake Camp*

## 2011 UPDATES

2010 was our 21st year. We constantly marvel on the many changes that have taken place over the past years and the continued success of our business thanks to all our guests.

Allison continues to work as the General Manager for Boston Pizza in Fort Frances. Last year she bought a house and this fall she coached the Fort Frances High School senior boys volleyball team.

Alex is in her 2nd year at Sir Sandford Fleming College in Lindsay, Ontario and doing very well. She is hoping to work once again with us. Alex's boyfriend Jared is also in his 2nd year at the same college and is thinking he will work with us once again this summer.

I am just enjoying being retired. I have had a few supply teaching days but not as many as last year. This year I truly feel retired.

Don has fully recuperated from his appendectomy of last March. He is filling his days building the new cabin #2. He was fortunate to shoot a bull moose with his bow this year. He shot it from 7 yards. The spread on the antlers was 47 inches. After shooting this moose, Don said he didn't care if he ever shot one with the rifle again.

He was able to work on the foundation for cabin #2 and is currently working on the log work. This cabin will be ready opening weekend. We hear from many of you that you enjoy the picture of the day that is posted on our website. We are now on facebook as well, check out our page *Hyatt's Manion Lake Camp*.
